- 3 King Arthur: Legend of the..

BODY IMAGE
Movement

The Body Image Movement (BIM) is an internationally recognised crusade that was founded on the belief that **your body is not an ornament, it is the vehicle to your dreams**. BIM believes that everyone has the right to love and embrace their body, regardless of shape, size, ethnicity or ability. We're on a quest to get everyBODY to embrace and to create a ripple of positive change across the globe.
